

# **ADDENDUM #1**

## **Notice of Pre-submittal On-site Meeting**

### **REQUEST FOR PROPOSALS FOR PROFESSIONAL ARCHITECT AND ENGINEERING SERVICES CITY OF PAGE, AZ AND GLEN CANYON NATIONAL RECREATION AREA, AZ/UT**

#### **SURVEY AND DESIGN SERVICES HORSESHOE BEND AT GLEN CANYON, TRAIL AND VISITOR FACILITIES**

AS REQUESTED BY  
THE CITY OF PAGE, AZ  
PROPOSAL DUE DATE: DECEMBER 20, 2016

## **Notice of Pre-submittal On-site Meeting**

A pre-submittal, on-site meeting has been scheduled on **Tuesday, December 6, 2016 from 2:00 to 4:00 p.m.** Arizona time.

Proposers will have an opportunity to walk the proposed route and ask questions of City of Page and Glen Canyon National Recreation Area representatives.

Gather in the parking lot at the base of the existing trail, where there will be questions and answers about the parking lot, restrooms and trailhead/visitor orientation structure.

Proposed trail alignment hike will begin at 2:30.

The trail is approximately 1.5 miles roundtrip, with varying terrain. Wear appropriate shoes and bring water. There are no restrooms and no water source.

We will stop at the rim to discuss that area then hike back along the existing trail to the parking area and finish up with any additional questions.
