

2016 Youth Soccer League

The City of Page Recreation Department offers a community based, non-competitive youth soccer program. Emphasizing good sportsmanship, skill development, equal participation, and loads of fun, we give children the opportunity to learn sport specific technical skills and play games in a safe, organized and fun environment.

In this community-based league, all coaches are volunteers and we encourage parents, grandparents and others to coach their children's teams. Contact the Recreation Department at 928-645-4380/4381 for more information about volunteering.
