Reopening Guidance, and Other Useful Information

Page, AZ (May 13, 2020) – With all the changes occurring with the states move to begin the reopening process, information is moving fast and changes are occurring quickly. Keep up on the most current information at <https://www.coconino.az.gov/2294/COVID-19-Information>. This site contains useful information on state guidance for reopening various entities such as restaurants and retail establishments, as well as where to get tested.

The City reminds our community members that there is still a significant risk of infection and that we should all remain vigilant in taking precautions. New cases are being identified in our County on a regular basis.
