Daily Update – March 24, 2020

Page, AZ (March 23, 2020) – The City government received notice of Governor Ducey’s executive order (2020-12 “Prohibiting the Closure of Essential Services”) which further defines what are considered “essential services”. The City of Page intends to fully comply with the order and is taking steps to ensure that affected City departments and services are in operation. Please visit <https://azgovernor.gov/executive-orders> for details.

It remains important to note that the Coconino County Health and Human Services (CCHHS) is still the lead government agency addressing the epidemic in our county, and the City of Page recommends that community members continue to closely adhere to recommended prevention guidelines.

Updated information, including current CCHHS Guidance and the Coconino County Proclamation for Social Distancing, is available at www.coconino.az.gov/COVID19.
