The City of Page reminds residents and visitors of the importance of wearing masks in public and continuing the practice of social distancing. In an interview with CNN, Navajo Nation President Jonathan Nez stated “Now is not the time to back down. Wear your masks, practice social distancing, and wash your hands.” Although pandemic fatigue is understandable, it remains important to adhere to the practices known to curb the spread of the disease. According to Dr. Ashish Jha of the Harvard Global Health Institute “We may be done with the pandemic, but the pandemic is not with us.” (Source: CNN)
