Lone Rock Beach Closed for Memorial Weekend

Page, AZ (May 20, 2020) –While Glen Canyon National Recreation Area continues to increase recreational access to Lake Powell, the National Park Service (NPS) announced that Lone Rock Beach will be closed for the upcoming Memorial Day weekend. In coordination with Kane County, NPS determined that they would be unable to open the primitive beach area saying, “The health and safety of our visitors, employees, volunteers, and partners continues to be paramount.” A complete list of what is open is available at <https://www.nps.gov/glca/learn/news/05192020.htm>.
