Police Concern Over C-19 Related Cyber Scams – April 15, 2020

Page, AZ (April 14, 2020) – The Page Police Department, along with our county, state, and federal law enforcement partners, continues to be concerned about the various scams occurring in the world now that are related to COVID-19 and have the potential to victimize our residents, especially the elderly. The police department warns residents to be extra vigilant in protecting themselves from these scams, and request that family members of vulnerable adults and seniors take steps to help them avoid becoming a victim. **Remember:** *If it sounds too good to be true, it probably is.* More information on this topic may be found at: <https://www.cisecurity.org/newsletter/what-you-need-to-know-about-covid-19-scam/>
