### FOR IMMEDIATE RELEASE

#### **Coconino County Will Continue Testing Blitz on Memorial Weekend**

Page, AZ (May 21, 2020) –Last weekend, Coconino County conducted its third straight weekend testing blitz, which resulted in 398 tests, according to a recent release from the County. Combined with the first two weekends, the County has collected 1098 total tests. In preparation for the upcoming Memorial Day weekend, the Coconino County Covid-19 Incident Commander, Dr. Marie Peoples, offered the following guidance, “In tradition with typical Memorial Day celebrations, it is likely that friends and family will be gathering. We encourage all residents to continue to follow guidance and precautions to wash hands frequently, wear masks, practice physical distancing while at social events, and to skip the celebratory events, if sick over the holiday. The County needs everyone’s help to slow and stop the spread of COVID-19.”

The County will continue the testing blitz on Saturday, May 30 for any person that wishes to be tested.
