FOR IMMEDIATE RELEASE

Update – April 28, 2020

Page, AZ (April 28, 2020) – As of this morning, Coconino County reported 435 positive cases county-wide, an increase of 9 cases from yesterday. There have been 1,740 negative cases so far in the County. Page cases actually decreased from 54 to 51 because of some reporting corrections. Tribal communities are still the hardest hit, with 313 cases, 72% of the total cases in the County. There was no increase in deaths from yesterday, with the total number still at 42.
