The company named above acknowledges that they have reviewed Page City Code 3-8 and agrees to pay all costs for required permits and film coordination services provided by The City of Page as described in the Application and Film Permit for Street Use. This includes revenues foregone and costs for Film Permits for street use, traffic control, removal and installation of street fixtures, use of street and/or sidewalk barricades and like activities.

Such indemnification shall not be effective to the extent that the damage or injury results from the sole negligence of the City. The indemnification provided for in this permit shall survive any termination or expiration of this Agreement.

Failure of the Company to comply with the terms of the City's permit as described may result in revocation of the permit and the inability to obtain future permits.
