

PAGE COMMUNITY HIGHLIGHT: Page Unified School District

Monday, May 11, 2020

Ask not what you can do for your country. Ask what's for lunch. - Orson Welles

The Food Service Department of the Page Unified School District has persevered in spite of the ever-changing circumstances during this difficult time in our country, continuing to provide meals for patrons to pick up at the Page High School and for delivery to various communities on the reservation.

Operating with just a skeleton crew, the Food Service Department prepares around 1200 meals per day, Monday through Friday. Several staff members have volunteered to deliver the meals to central locations on the reservation for distribution to families by community volunteers.

Despite the curveballs COVID-19 has thrown, this group has kept calm and carried on. On behalf of the City of Page, we thank each and every one of you for your dedication to continue to provide meals – and hope – to our residents and neighbors.
