Arizona Together

Governor Ducey launched the Arizona Together initiative to support Arizonans during the COVID-19 outbreak, a comprehensive source connecting individuals and businesses to resources, raising money for community organizations and providing information on volunteer opportunities.

WE'RE IN THIS TOGETHER

“As we work to combat the spread of COVID-19, access to resources that can help support families and businesses in this time of need is critical. We’re calling on Arizonans to be informed, get engaged, and support organizations doing important work to keep our communities safe and healthy.
