

FOR OUR CITY PAGE

Invites you to join us for a Community Conversation on how we can address problems, help others, and transform our community.

OCTOBER 10, 2018
9:00 – 11:00 A.M.

For Our City-Page will coordinate service needs of the City of Page and non-profit organizations with the service resources of faith-based communities, employers, business groups, education and others in the Page area.

Those providing service may take responsibility for one-time or ongoing projects that will benefit the community. Possible service opportunities include: neighborhood cleanups, painting projects, and volunteer service to provide assistance to youth and families. There is no limit to the amount of good that volunteers can do for others in their community.
