

## Rezoning Checklist

**Note:** The following items are required for Rezoning per City of Page Code of Ordinances, Section 6.6:

1.  Application for Rezoning
2.  \$500 Application fee
3.  Proof of ownership
4.  A written narrative identifying how the proposed zoning conforms with the General Plan, fits in with the surrounding neighborhood, and why it is more appropriate for the property than the existing zoning.
5.  A site plan showing the footprint of all existing and proposed buildings, parking configuration, location of all utilities and easements, and other details demonstrating conformance with all regulations and development standards applicable to the proposed zoning district.
6.  A map showing adjoining zoning districts within 300 feet
7.  A list of all property owners within 300 feet
8.  The applicant shall submit any other information identified in the pre-application meeting and all required information stated elsewhere in the City Code for an amendment to the zoning map.
