

City of Page Community Participation Plan (CPP)¹

1. Administration

The purpose of this CPP is to ensure that stakeholders or communities affected² by the City of Page projects or operations can be informed and participate and have their input thoughtfully considered in the key stages during airport planning efforts, regardless of their race, color, national origin, sex, sexual orientation, gender identity, creed, age, or disability (hereafter, the “protected bases”). This plan is provided in accordance with Title VI of the Civil Rights Act of 1964 (Title VI) and related authorities.³ This plan and associated reports regarding our CPP efforts will be communicated to the public in formats accessible to persons with disabilities and to limited English proficient (LEP) individuals.

The individuals primarily responsible for implementing the City of Page CPP are:

Responsible Official	Title, Office, and Responsibilities
1 Kyle Christiansen	Airport Director, Title VI Coordinator
2 Gregg Martinez	Economic Development Director

Responsible officials’ contact information is shared with the public through the following methods:

Website⁴, In-person, and Other Communication Methods
1 In-person
2 Airport website: www.cityofpage.org/airport/civilrights

In addition, the City of Page will ensure that members of the public are advised of our nondiscrimination obligations. This includes how to file discrimination complaints with the City of Page and the FAA. We will also conspicuously display the FAA-provided Unlawful Discrimination Posters at airport facilities. See Notice section of the City of Page’s Title VI Plan.

The City of Page also makes this CPP available through the following methods when engaging members of the public concerning planning efforts:

² Within this CPP, the term “affected” also means *served*, in addition to *positively or negatively impacted*.

³ Related authorities include the Age Discrimination Act of 1975; Sec. 520 of the Airport and Airway Improvement Act of 1982; and the Civil Rights Restoration Act of 1987.

2. Goals and Objectives

This CPP applies to all airport planning and decision-making efforts, whether or not directly supported by Federal assistance. This includes surveys, public meetings (e.g., airport commission meetings), and hearings, not only meetings for a project requiring an environmental impact statement (EIS) or environmental assessment (EA).

See Limited English Proficiency (LEP) section of the City of Page’s Title VI Plan.
